

Sustainable Development Goal 2 (SDG2)

"End hunger, achieve food security and improved nutrition and promote sustainable agriculture"

Ending hunger

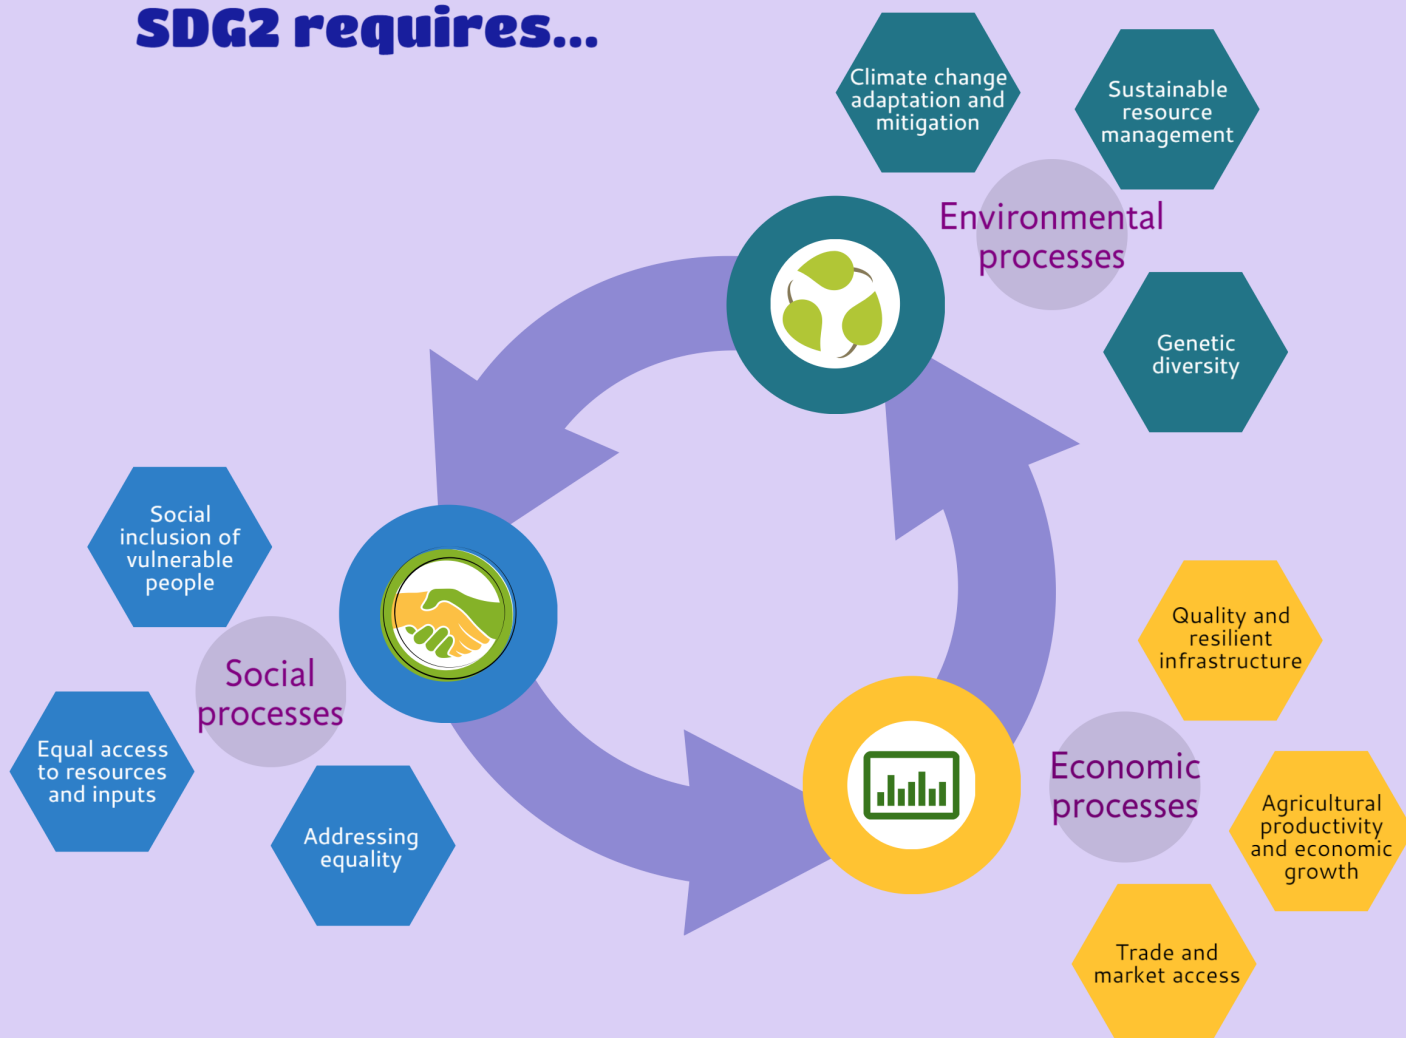

Achieving food security and nutrition

Promoting sustainable agriculture

SDG2 requires...

SDG2: targets

2.1

By 2030, **end hunger** and ensure access by all people, in particular the poor and people in vulnerable situations, **to safe, nutritious and sufficient food all year round**

2.2

By 2030, **end all forms of malnutrition**, and by 2025 achieve the **targets on stunting and wasting in children under 5 years of age**

2.3

By 2030, **double the agricultural productivity and the incomes of small-scale food producers**, including women, indigenous peoples, family farmers, pastoralists and fishers, including through secure and equal access to land, other productive resources and inputs, knowledge, financial services, markets and opportunities for value addition and non-farm employment

2.4

By 2030, **ensure sustainable food production systems and implement resilient agricultural practices that increase productivity and production and help maintain ecosystems**

2.5

By 2020, **maintain genetic diversity of seeds, cultivated plants and animals** and ensure access to a fair and equitable sharing of benefits from the utilization of genetic resources

2.a

Increase investment in **rural infrastructure, agricultural research and extension services** to enhance agricultural productive capacity in developing countries

2.b

Correct and prevent **trade restrictions and distortions in world agricultural markets**, including the elimination of all form of export subsidies and measures

2.c

Adopt measures to ensure the proper functioning of **food commodity markets and their derivatives** and facilitate access to market information to help limit extreme food price volatility
