From Knowledge to Results to Policies: Creating an Evidence-Base for Supporting Low-Emission and Resilient Livestock Development (14&24)

3 November | Time 11:30 – 13:00 CET | Time 11:30 – 13:00 GMT

Mr. Shameer Khanal

Head of the GIZ flagship Programme on “Green Economy and Sustainable Private Sector Development” in Kyrgyzstan.

Mr. Shameer Khanal has more than 17 years of experience in development cooperation and 4 years of experience in business analytics in the private sector. He has managed and led implementation of economic development projects and programmes for the German Development Cooperation in South Asia, Southeast Asia, and the CIS countries.

In close cooperation with the Ministry of Economy of the Kyrgyz Republic, Mr. Khanal actively promotes and provides strategic orientation for the implementation of the National Green Economy Programme of the Republic.
Anne Mottet

Anne is a published author (over 4,000 citations), an elected member of the Scientific Advisory Board of The Joint Programming Initiative on Agriculture, Food Security and Climate Change (FACCE-JPI) and an invited reviewer of IPCC reports and guidelines. Anne is currently coordinating a program of work providing technical support and guidance to countries and International Funding Institutions such as World Bank and IFAD on low carbon livestock development. She is also co-leading a program of work on technical support for a transition to sustainable food systems using a multicriteria assessment tool called TAPE, the Tool for Agroecology Performance Evaluation.

Antonio Rota

Antonio Rota has more than 30 years of professional experience in the livestock development sector.
IFAD at COP26

Antonio Rota is responsible for providing technical advisory services on livestock and pastoral systems issues. He advocates for inter-institutional and cross-regional exchange of knowledge to enhance nutrition and gender sensitive, climate resilient and sustainable intensification of smallholder livestock production.

Donald Moore

Executive Director Global Dairy Platform, United States of America

Donald Moore also serves as Chairman of the Dairy Sustainability Framework and as a member of the UN Global Agenda for Sustainable Livestock’s Guiding Group. He is the past Chairman of the International Agri-Food Network (IAFN) and the Private Sector Mechanism (PSM) to the United Nations Committee on World Food Security (CFS).
IFAD at COP26

Mr. Djanybekov has worked for more than 30 years in public sector with more than 40 years experience in agriculture sector. He is leading Ministry of agriculture second time, in 2012 and now in 2020 onwards. He worked on implementation of a project to create the country’s largest pedigree herd of cattle breed “Aberdeen Angus” and launch of a meat processing enterprise and a meat cluster project in the Eastern Issyk-Kul.

Mr. Mukashev Azamat has more than 36 years of work experience in the agriculture sector, more than 22 years of work in international organizations in the projects of agriculture, sustainable economic development, work on the value chains, development of agricultural cooperatives and more than 5 years of work in the public sector. Mr. Mukashev has several awards from the Government of the Kyrgyz Republic.

Marco Bomfim has been a visiting scientist at the International Center for Agricultural Research in the Dry Areas (ICARDA), in Aleppo, Syria (2008) and at the Texas A&M University (2011-2012). Since 2002 he has been a researcher at Embrapa Goats and Sheep - the National Center of Goat and Sheep research. He is the leader of a project in collaboration with FIFA to promote technological innovation for goat and sheep producers in the semiarid region of Brazil (Northeast).
Dina Saleh  
*Regional Director*  
*Near East, North Africa and Europe Division Programme Management Department*  
*International Fund for Agricultural Development (IFAD)*

Ms. Saleh has over 20 years international experience in development projects and programs in Eastern Europe, the Middle East, and North Africa, Sub-Saharan Africa, and Asia. She also served as the Regional Portfolio Adviser for the Near East, North Africa and Europe Division. Prior to joining IFAD in 2007, Ms. Saleh worked at the United Nations Office for Project Services in Nairobi, Tunis and Rome and with private sector companies.
IFAD at COP26

Donal Brown

Associate Vice-President, Programme Management Department, at IFAD

Mr. Donal Brown is responsible for developing and managing the operations that IFAD supports through its loans and grants. He oversees the programme of work of the department, which is undertaken by five Regional Divisions and the Operational Policy and Results Division.
