Section 1 - Use of Resources and Conditions of Financing

(a) The resources of the Fund shall be used to achieve the objective specified in Article 2.

(b) Financing by the Fund shall be provided only for the benefit of developing States that are Members of the Fund. Such financing may be provided directly to developing Member States or political subdivisions thereof, or through intergovernmental organizations in which such Members participate or to, or through, national development banks, private sector organizations and enterprises, or other entities as assessed from time to time by the Executive Board. In the case of a loan provided to an entity other than a Member State, the Fund shall normally require a suitable governmental or other guarantees, unless the Executive Board decides otherwise on the basis of a thorough assessment concerning related risks and safeguards.

(c) The Fund shall make arrangements to ensure that the proceeds of any financing are used only for the purposes for which the financing was provided, with due attention to considerations of economy, efficiency and social equity.

(d) In allocating its resources the Fund shall be guided by the following priorities:

(i) the need to increase food production and to improve the nutritional level of the poorest populations in the poorest food deficit countries;

(ii) the potential for increasing food production in other developing countries. Likewise, emphasis shall be placed on improving the nutritional level of the poorest populations in these countries and the conditions of their lives.

Subject to the provisions of this Agreement, financing by the Fund shall be governed by broad policies, criteria and regulations laid down, from time to time, by the Governing Council by a two-thirds majority of the total number of votes.

Section 2 - Forms and Terms of Financing

(a) Financing by the Fund may take the form of loans, grants, a debt sustainability mechanism, equity or other means, which shall be provided on such terms as the Fund deems appropriate, having regard for the economic situation and prospects of the Member and the nature and requirements of the activity concerned. The Fund may also provide additional financing for the design and implementation of projects and programmes, financed by the Fund through loans, grants, debt sustainability mechanisms, equity or other means, as the Executive Board shall decide.

(b) The proportion of the Fund’s resources to be committed in any financial year for financing operations in any of the forms referred to in subsection (a) shall be decided from time to time by the Executive Board with due regard to the long-term viability of the Fund and the need for continuity in its operations. The proportion of grants shall not normally exceed one-eighth of the resources committed in any financial year. (f) The loan agreement, or other agreements, as may be relevant, shall be concluded in each case by the Fund and the recipient, which shall be responsible for the execution of the project or programme concerned.

(g) Except as the Executive Board shall otherwise decide, the Fund shall entrust the administration of loans, for the purposes of the disbursement of the proceeds of the loan and the supervision of the implementation of the project or programme concerned, to competent national, regional, international or other institutions or entities. Such institutions or entities shall be of a worldwide, regional or national character and shall be selected in each case with the approval of the recipient. Before submitting the loan to the Executive Board for approval, the Fund shall assure itself that the institution or entity to be entrusted with the supervision agrees with the results of the appraisal of the project or programme concerned. This shall be arranged between the Fund and the institution or agency in charge of the appraisal, as well as with the institution or entity to be entrusted with the supervision.

(h) For the purposes of subsections (f) and (g) above, reference to “loans” shall be deemed to include “grants”.

(i) The Fund may extend a line of credit to a national development agency to provide and administer subloans for the financing of projects and programmes within the terms of the loan agreement and the framework agreed to by the Fund. Before the Executive Board approves the extension of such a line of credit, the national development agency concerned and its programme shall be appraised in accordance with the provisions of subsection (e). Implementation of the said
programme shall be subject to supervision by the institutions selected in accordance with the provisions of subsection (g).

(j) The Executive Board shall adopt suitable regulations for procuring goods and services to be financed from the resources of the Fund. Such regulations shall, as a general rule, conform to the principles of international competitive bidding and shall give appropriate preference to experts, technicians and supplies from developing countries.

(c) In respect of a Member that is a grouping of States, it shall ensure that the privileges and immunities referred to in this Article are applied in the territories of all members of the grouping.

(d) Notwithstanding Section 2(a) - (c) above, actions arising out of its authorities under Article 4, Section 7 may be brought against the Fund only in a court of competent jurisdiction in the territories of a Member where:

(i) it has appointed an agent for the purpose of accepting service or notice of process; or

(ii) the Fund has issued or guaranteed securities,

provided, however, that:

(A) no action shall be brought by Member States or persons acting for or deriving claims from Members; and

(B) the property and assets of the Fund shall, wheresoever located and by whomsoever held, be immune from all forms of seizure, attachment or execution before the delivery of final judgement against the Fund.

Article 11

INTERPRETATION AND ARBITRATION

Section 1 - Interpretation

(a) Any question of interpretation or application of the provisions of this Agreement arising between any Member and the Fund or between Members of the Fund, shall be submitted to the Executive Board for decision. If the question particularly affects any Member of the Fund not represented on the Executive Board, that Member shall be entitled to be represented in accordance with regulations to be adopted by the Governing Council.

(b) Where the Executive Board has given a decision pursuant to subsection (a), any Member may require that the question be referred to the Governing Council, whose decision shall be final. Pending the decision of the Governing Council, the Fund may, so far as it deems necessary, act on the basis of the decision of the Executive Board.

Section 2 - Arbitration

In the case of a dispute between the Fund and a State that has ceased to be a Member, or between the Fund and any Member upon the termination of the operations of the Fund, such dispute shall be submitted to arbitration by a tribunal of three arbitrators. One of the arbitrators shall be appointed by the Fund, another by the Member or former Member concerned and the two parties shall appoint the third arbitrator, who shall be the Chairman. If within 45 days of receipt of the request for arbitration, either party has not appointed an arbitrator, or if within 30 days of the appointment of two arbitrators, the third arbitrator has not been appointed, either party may request the President of the International Court of Justice, or such other authority as may have been prescribed by regulations adopted by the
Governing Council, to appoint an arbitrator. The procedure of the arbitration shall be fixed by the arbitrators, but the Chairman shall have full power to settle all questions of procedure in any case of disagreement with respect thereto. A majority vote of the arbitrators shall be sufficient to reach a decision, which shall be final and binding upon the parties.

Article 12
AMENDMENTS

(a) Except in respect of Schedule II:

(i) Any proposal to amend this Agreement made by a Member or by the Executive Board shall be communicated to the President who shall notify all Members. The President shall refer proposals to amend this Agreement made by a Member to the Executive Board, which shall submit its recommendations thereon to the Governing Council.

(ii) Amendments shall be adopted by the Governing Council by a four-fifths majority of the total number of votes. Amendments shall enter into force three months after their adoption unless otherwise specified by the Governing Council, except that any amendment modifying:

(A) the right to withdraw from the Fund;

(B) the voting majority requirements provided for in this Agreement;

(C) the limitation on liability provided for in Section 3 of Article 3;

(D) the procedure for amending this Agreement;

shall not come into force until written acceptance of such amendment by all Members is received by the President.

(b) In respect of the several parts of Schedule II, amendments shall be proposed and adopted as provided in such parts.

(c) The President shall immediately notify all Members and the Depositary of any amendments that are adopted and of the date of entry into force of any such amendments.

(b) For States that deposit an instrument of ratification, acceptance, approval or accession subsequent to the entry into force of this Agreement, it shall enter into force on the date of such deposit.

Schedule II

DISTRIBUTION OF VOTES AND ELECTION OF EXECUTIVE BOARD MEMBERS

1. The Governing Council, in accordance with the procedures specified in paragraph 29 of this Schedule, shall decide, from time to time, the distribution of seats and alternate seats among the Members of the Fund, taking into account: (i) the need to strengthen and safeguard the mobilization of resources for the Fund; (ii) the equitable geographic distribution of the said seats; and (iii) the role of developing Member Countries in the governance of the Fund.

2. Distribution of Votes in the Executive Board. Each member of the Executive Board shall be entitled to cast the votes of all of the Members that it represents. Where the member represents more than one Member, it may cast separately the votes of the Members that it represents.

3. (a) Lists of Member Countries. The Member Countries shall be divided, from time to time, into Lists A, B and C for the purposes of this Schedule. Upon joining the Fund, a new Member shall decide on which List it wishes to be placed and, after consultation with the Members of that List, shall provide appropriate notification thereof to the President of the Fund in writing. A Member may, at the time of each election for the members and alternate members representing the List of Member Countries to which it belongs, decide to withdraw from one List of Member Countries and place itself upon another List of Member Countries, with the approval of the Members therein. In such event, the concerned Member shall inform the President of the Fund in writing of such change, who shall, from time to time, inform all Members of the composition of all the Lists of Member Countries.

(b) Distribution of Seats in the Executive Board. The eighteen (18) members and up to eighteen (18) alternate members of the Executive Board shall be elected or appointed from the Members of the Fund and of whom:

(i) eight (8) members and up to eight (8) alternate members shall be elected or appointed from among those Members set forth in the List A of Member Countries, to be established from time to time;

(ii) four (4) members and four (4) alternate members shall be elected or appointed from among those Members set forth in the List B of Member Countries, to be established from time to time; and

(iii) six (6) members and six (6) alternate members shall be elected or appointed from among those Members set forth in the List C of Member Countries, to be established from time to time.

4. Procedures for the Election of Executive Board Members. The procedures that shall apply for the election or appointment of members and alternate members to vacant seats on the Executive Board shall be those set forth below for the respective Members of each List of Member Countries.
A. ELECTION OF MEMBERS OF THE EXECUTIVE BOARD AND THEIR ALTERNATES

Part I - List A Member Countries

5. All of the members and alternate members of the Executive Board from List A of Member Countries shall serve for a term of three years.

6. List A Member Countries shall form constituencies and, on the basis of procedures agreed by the List A Member Countries and its constituencies, shall appoint eight members to the Executive Board and shall also appoint up to eight alternates.

7. Amendments. The Governors representing List A Member Countries may by a unanimous decision amend the provisions of Part I of this Schedule (paragraphs 5 to 6). Unless otherwise decided, the amendment shall have immediate effect. The President of the Fund shall be informed of any amendment to Part I of this Schedule.

Part II - List B Member Countries

8. All of the members and alternate members of the Executive Board from List B of Member Countries shall serve for a term of three years.

9. The Members of List B shall form themselves into a number of constituencies equal to the number of seats allocated to the List, with each constituency represented by one member and one alternate member in the Executive Board. The President of the Fund shall be informed of the composition of each constituency and any changes thereto that may be made by the Members of List B from time to time.

10. The Members of List B shall decide on the procedures that shall apply for the election or appointment of members and alternate members to vacant seats on the Executive Board and shall provide a copy thereof to the President of the Fund.

11. Amendments. The provisions of Part II of this Schedule (paragraphs 8 to 10) may be amended by a vote of the Governors representing two-thirds of the List B Member Countries whose contributions (made in accordance with Section 5(c) of Article 4) amount to seventy per cent (70%) of the contributions of all List B Member Countries. The President of the Fund shall be informed of any amendments to Part II of this Schedule.

Part III - List C Member Countries

Elections

12. All the members and alternate members of the Executive Board from List C of Member Countries shall serve for a term of three years.

13. Except as decided otherwise by the Member Countries of List C, of the six (6) members and six (6) alternate members of the Executive Board elected or appointed from among the List C Member Countries, two (2) members and two (2) alternate members shall be from each of the following regions, as these are set forth in each of the sub-Lists of List C Member Countries:

- Africa (sub-List C1);
- Europe, Asia and the Pacific (sub-List C2);
- Latin America and the Caribbean (sub-List C3).

14. (a) In accordance with the provisions contained in paragraphs 1 and 27 of this Schedule, the Member Countries of List C shall elect from the countries of its sub-List two members and two alternate members to represent the interests of the whole of the said sub-List, including at least one member or one alternate member from among the Member Countries in that sub-List making the highest substantial contributions to the resources of the Fund.
(b) The Members of List C may review at any time but not later than the Sixth Replenishment of the Fund's Resources, the provisions of subparagraph (a) above, taking into account the experience of each sub-List in the implementation of the said sub-paragraph and, if necessary, amended keeping in view the relevant principles contained in Resolution 86/XVIII of the Governing Council.

15. Balloting shall first take place for all members to be elected from each sub-List for which there is a vacancy and for which countries from each sub-List shall nominate candidates. Balloting for each seat shall take place among the Members of the List C.

16. After all members have been elected, balloting shall take place for electing alternate members in the same orders indicated in paragraph 15 above.

17. Election shall require a simple majority of the valid votes cast, not counting abstentions.

18. If no candidate obtains in the first ballot the majority specified in paragraph 17 above, successive ballots shall be held, from each of which that candidate shall be eliminated who receives the lowest number of votes in the previous ballot.

19. In case of a tied vote, the ballot shall, if necessary, be repeated and, if the tie persists in that ballot and on one subsequent one, a decision shall be taken by drawing lots.

20. If at any stage there is only one candidate for a vacancy, he may be declared elected without a ballot, if no Governor objects.
