

IFAD Innovation Challenge 2022 applications

To submit your innovations, you must do so using the online form available on IFAD's Intranet.

The deadline for applications is 11pm CET 31 January 2022.

A compact version of the questions from the online form are reproduced below:

1. Basic information
 - Project title
 - Team leader
 - Team leader's position
 - Lead division
 - Innovation challenge track
 - Problem statement
What is the problem that you are trying to solve? You may list up to three. (Max. 100 words per problem / max. 300 words in total)
 - Solution
Explain your proposed solution to each problem. (Max. 150 words per solution / max. 450 words in total)
 - Unique value proposition
State a single, clear message that tells us why your idea is unique and worth paying attention to. (Max. 100 words)
 - Target groups and users
Who is the solution supposed to help? (Max. 50 words)
 - Partners
Is this an IFAD inter-divisional/inter-departmental collaboration? Or are you partnering with other organizations? If yes, please specify which ones.
2. Team
 - Team composition
 - How many members of your team are women?
 - How many members of your team are based in the field?
 - Team members
 - Full name
 - Gender
 - Duty station
 - Organization
3. Project
 - Project requirements (max. 250 words)
 - Assessing progress and performance (max. 50 words)
 - Challenges and barriers (max. 150 words)
 - Team's vision (max. 50 words)
 - Diversity, equity and inclusion (DEI) commitment (max. 50 words)
 - High-level estimate of cost (US\$)
4. Attachments
 - Video (upload a file or video link)
 - Pitch deck (5-slides max.)
5. Rules of Engagement. *Accessible to IFAD's personnel when submitting the application form on Intranet.*
