

IFAD12 FINANCING CONDITIONS

EAST AND SOUTHERN AFRICA

Fiscal Year 2024

Phasing-out/Phasing-in mechanism. It guides the transition of Member States towards less concessional terms. If the Fund determines, prior to the start of a Replenishment Period, that a Member State is newly eligible for less concessional lending terms, the Member State will be under transition to the less concessional lending terms over the Replenishment Period.

Reversals. If the Fund determines that a Member State is newly eligible for more concessional lending terms, the new terms will be effective from 1 January of the following calendar year.
