Dear Sir/Madam,

IFAD has prepared a Concept Note, for a grant under its Global/Regional Grants Programme focused on *Environmental, Social and Climate Capacity Building and Best Practices*. In this regard, your organization is hereby invited to submit a bid, by filling out the template Design Document provided. Your proposal will be considered as part of a selection process, and will compete with other proposals for IFAD grant resources. Please note that all submissions received will be evaluated against pre-determined criteria. The following documents are part of this Invitation to Submit Bids:

- This Letter of Invitation
- The Grant Concept Note
- The Project Description
- The Grant Design Document Template to be used for your submission
- The Activity based budget
- The Bidders' self-certification of eligibility for IFAD grant financing to be used for your submission
- The IFAD Grant Agreement Template
 - Including the General Provisions Applicable to IFAD Grant Agreements in Schedule 3
- The Evaluation methodology and criteria for the review of the submissions

Your submission will include:

1. Project proposal, submitted using the grant Design Document template;
2. Bidders' self-certification of eligibility for IFAD grant financing, duly filled in; and
3. A brief institutional profile, detailing experience in the priority area and specific theme outlined in the Grant Concept Note (enhanced), and in IFAD regions/country(ies) where the grant would be implemented.

Kindly note that you can request clarifications during the first **two (2) weeks** of the submission period only in writing per indicated email.

Please send your enquiries to Sustain@ifad.org until **25 May 2021**.

IFAD will not address requests for clarifications received after this deadline.

To the extent eligible institutions deem it appropriate to partner with other institutions, they can do so. In this case, only the applicant institution shall be responsible for achieving the project objectives and outcomes, producing the expected outputs, the overall project management, financial and technical reporting to IFAD, while the partner institution(s) will be sub-contracted by the proponent. In case of applicants partnering with other organizations, a single application must be submitted to IFAD for consideration, clearly indicating the lead agency and the names of all collaborating partners. The recipient may choose to sub-contract any part of the services under this agreement to a person or entity. The lead recipient shall be fully responsible and liable for the delivery of the services performed by them or on their behalf.

Please bear in mind that the preparation of the proposal shall be by, and at the expense of your organization. IFAD shall not reimburse any costs incurred by you in the preparation of the proposal, site visit, collection of information, oral presentation, or for any subsequent discussions, clarifications, and negotiations related to this Invitation to Submit Bids, whatever the outcome of the Invitation may be, including the case of no award. IFAD reserves the right to annul the selection process at any time without thereby incurring any liability to the applicant. This Invitation does not commit or obligate IFAD to award a grant. In addition, please be advised that should your proposal be accepted, this does not guarantee IFAD support. The proposal would then need to be further developed and it will subsequently undergo rigorous approval processes, which closely examine technical, financial and legal aspects.

By submitting a proposal, applicants agree to abide to all conditions set forth by IFAD.

Kindly note that the deadline for submitting your application is **8 June 2021(12:00 Rome time)**. Proposals submitted after this deadline will be considered ineligible. Please send your confirmation of participation and final bids to Sustain@ifad.org.

Sincerely,
