

2023 IFAD INNOVATION DAY

Multi-Stakeholder Partnerships to Scale Up Innovation

13:00-13:45 CEST, Wednesday 28 June 2023

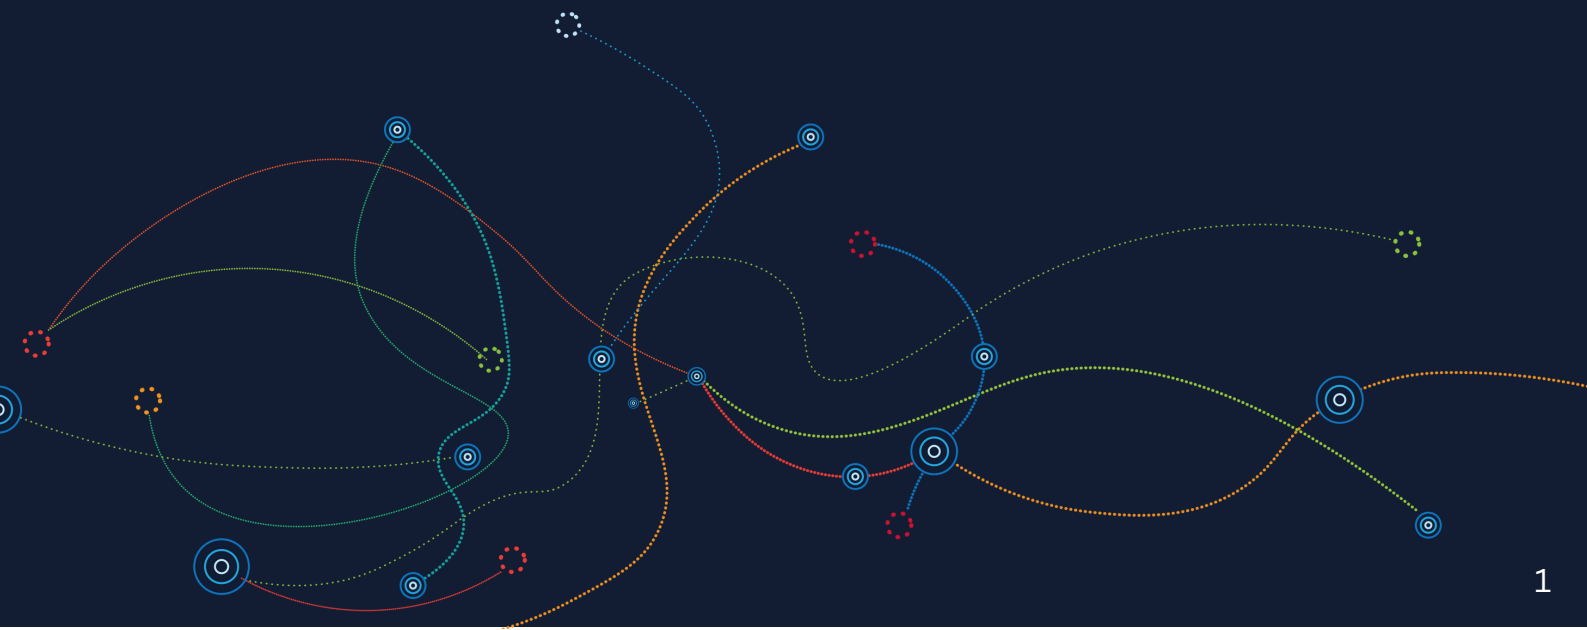

Italian Room, IFAD HQ, Italy and Online

This is a core session of the 2023 IFAD Innovation Day where IFAD's Senior Management and partners will provide the strategic foresight for innovation at IFAD.

Jo Puri, IFAD's Associate Vice-President of the Strategy and Knowledge Department will open the session highlighting the importance of evidence and data-driven evaluation to understand the effectiveness of innovations at achieving and scaling up impact.

Then a panel dialogue "**Multi-Stakeholder Partnerships to Scale Up Innovation**" will set the scene for the Pitch Event that follows. The panel will elaborate on the importance of leveraging multi-stakeholder partnerships and co-financing to increase opportunities to scale up tested innovations that deliver results for poor rural people.
