Mainstreaming Environmental Sustainability in All IFAD Evaluations – A Systemic Approach

A Framework for 'Mainstreaming' ESI

All IOE (IFAD) evaluations assess the environmental and social impact (ESI) – ESI already mainstreamed

- Corporate priorities include mainstreaming ESI in programmes
- Evaluation Policy mainstreams ESI in evaluations
- Evaluation Guidance/Manual w/ clear ESI guidance
- Ensure Capacities & resources for ESI assessment
- Mechanisms in place for quality assure ESI coverage
- ESI mainstreamed into Learning & Accountability'
